

We all know that: hardly one has bought a PC or a Smartphone, it is considered after 1-2 years already again as outdated.

With AlarmTab® you acquire a system for life, AlarmTab® cannot become obsolete. You will receive a *lifetime free update service*, new features and improvements will be transferred directly to your headquarters if you wish.

The technical development is progressing rapidly, who knows today which new and helpful functions will be on the market in a few years. **With AlarmTab® you can look to the future with complete relaxation.**

AlarmTab® is also being further developed, and all existing customers also benefit from it, without restriction, without costs. So you can be sure that your purchase will pay off in the future and that you are always up to date without having to spend additional money.
